

**STAGE 3 DROUGHT RESTRICTIONS
(In effect 10/20/2011 – 3/31/2012)**

Water Use Restrictions -

- Limit landscape watering with sprinklers or irrigation systems between October 20 and March 31 to **once every two weeks**. An exception is allowed for landscape associated with new construction that may be watered as necessary for 30 days from the date of the occupancy, temporary certificate of occupancy, or certificate of completion.
- Continue or initiate any actions available under Stages 1 and 2.
- Prohibit hydroseeding, hydromulching, and sprigging.
- Existing swimming pools may not be drained and refilled (except to replace normal water loss).
- Initiate mandatory water use restrictions as follows:
 - Prohibit hosing of paved areas, buildings, or windows. (Pressure washing of impervious surfaces is allowed.)
 - Prohibit operation of all ornamental fountains or other amenity impoundments to the extent they use treated water.
 - Prohibit washing or rinsing of vehicles by hose except with a hose end cutoff nozzle.
 - Prohibit using water in such a manner as to allow runoff or other waste.

Overage surcharge - A 25% surcharge will be added for usage in excess of 15,000 gallons per month.

Watering Schedule - One day every two weeks:

Last Digit of Address	Primary Watering Day
0,2,4,6,8	Monday
1,3,5,7,9	Tuesday
Schools, Parks, Athletic Facilities, Places of Worship, Medians, ROW's, & Designated Open Spaces	Wednesday

Requirements for termination – Stage 3 may terminate when the City of Forney terminates its Stage 3 condition or when the circumstances that caused the initiation of Stage 3 no longer prevail.

For a full list of restrictions see the Drought Contingency Plan in the Documents and Forms section of the
